In addition, an Elder, Pastor, or both will probably ask to sit down with you and walk through this information step-by-step. It isn't an interrogation; just an opportunity to make sure any questions are answered, and an excuse to get to know you better!

Having responded to God's grace through faith in Jesus Christ, repentance of my sins, and baptism; and having read the attached privileges and responsibilities of membership at PVCC, I now declare my desire to unify with this church family. In doing so, I commit myself to God and this church family to do the following:

I will protect PVCC's unity

- Acting in love toward others

- Following the leadership

I will share in PVCC's mission

- Praying for growth
